Sir:

The Official Action of September 16, 2008, indicates that the claims in this application are directed to two different Groups, and requires election one of the Groups. As identified in the Official Action, the different Groups are as follows:

Group I, recited in Claims 46-65, drawn to a data transmission device, a data receiving device, and a portable device; and

Group II, recited in Claims 66-71, drawn to a data receiving device.

Applicants hereby elect Group I, recited in Claims 46-65. The election is made with traverse because the Examiner has already examined both groups, and thus it is believed that examination of both groups can continue without serious burden.

Should any questions arise in connection with this application or should the Examiner believe that a telephone conference would be helpful in resolving any remaining issues pertaining to this application, the Examiner is kindly invited to call the undersigned counsel for Applicants regarding the same.

Respectfully submitted,

BUCHANAN INGERSOLL & ROONEY PC
